- 

Revised 6/24/2008

## **INTRODUCTION**

The Fisher Berkeley/EKTACOM parts listed in this catalog are current production items. Additional will be added at a future date. AUDAC also has an extensive inventory of parts that are no longer in production. If you have a specific need please contact us for availability.

## **REPAIR SERVICE**

AUDAC also offers repair on Fisher Berkeley EKTACOM parts. Repairs are made on parts of recent production items.

Ship repairs to:

Attn: Repairs Department  
AUDAC  
3095 Kerner Blvd, Suite U  
San Rafael, CA 94901

A Purchase order must accompany repairs to include Bill & Ship to information.

## **TERMS**

AUDAC accepts Visa or Master Card. Terms of Net 30 days are subject to credit approval. Additional Charges apply to COD orders. All orders are shipped FOB San Rafael. AUDAC ships UPS Ground unless specified otherwise.

## NURSE CALL SYSTEM PARTS

AUDAC has more than 30 years experience with installation, troubleshooting and repair. Of Fisher Berkeley EKTACOM Nurse call systems.

In 1999 Fisher Berkeley was acquired by Hill Rom Corporation. Hill Rom was providing replacement parts for the entire Fisher Berkeley product line. All of the Fisher Berkeley inventory of replacement parts and components were relocated to North Carolina to an out-sourced manufacturing company by the name of Fawn Industries.

In December 2005 there was a catastrophic fire at Fawn's facility. All of the Fisher Berkeley inventory was destroyed.

After evaluating the start up cost of replacing the inventory a decision was made to drop the product line completely. AUDAC negotiated a deal with Hill Rom to provide replacement parts direct from AUDAC. We obtained a licensing agreement giving us access to the information necessary to build replacement parts to original specifications. So we can continue supporting our customers.

Today AUDAC is manufacturing replacement parts and shipping product internationally to many Fisher Berkeley customers. We have re-established relationships with some of the former Fisher Berkeley Distributors who can offer the parts and on-site local service. We may never be able to replace the entire Fisher Berkeley inventory of parts but are making our best effort to provide the key fundamental working parts necessary to keep your systems going for years to come. This catalog represents our current product offering. Additional items are continuously added.

**Hospital shower station**

Water-proof shower station used in shower and bathrooms.

Model# HSS-21

**Staff Assist station**

Staff Emergency station used at Patient headwalls, Exam & Procedure rooms.

MODEL# HSE-21

SYSTEM TYPE: MMC SERIES

**Code Blue station**

Code Blue station used at Patient headwalls, Exam & Procedure rooms.

MODEL# HCB-21

**MMC Replacement batteries**

Recommended change at 24 month intervals or erratic operation can occur.

MODEL# Y00091-00 for HQ-1

place a call.

Model # HTX-17B

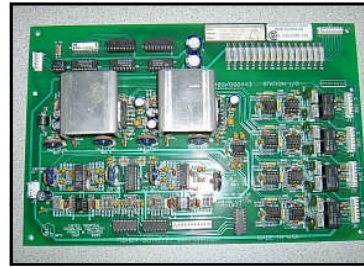

System type: HB/HV-03 SERIES

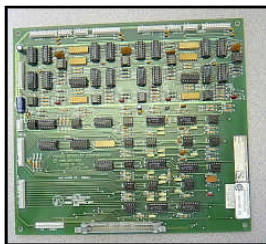

**Station I/O Board**

MMC-2 Series Station bus

board. Supports (4) Bus  
positions with individual audio/  
Amplifier. For each channel.

Model # HPC-CL-SI/O

**Master I/O Board**

MMC-2 Series Station Master board.

Supports (4) Master Station positions.

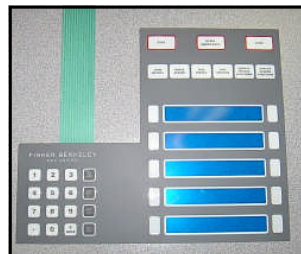

Model # HPC-CL-MI/O

System type: MMC SERIES

**HPCM-20 Membrane replacement**

MMC-2 Series master station replacement

membrane adhesive backed

Model # HPCM-20-KIT

System type: MMC SERIES

**Peripheral Membrane replacements**

Push for Help (HTS-21) S00021-22

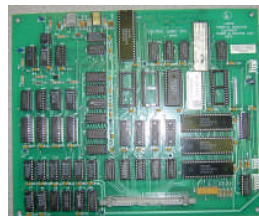

Staff Assist (HSE-21) S00021-24

Code Blue (HCB-21) S00021-23

Model # FBS00024-XX

System type: MMC  
SERIES

**CPU Board MMC**  
MMC-2 Series Central  
Processor board.

Model# PCA HPC-CL-CPU

---

**Master Station MMC**  
MMC-2 Series Nurse  
Control Station

Model# HPCM-20

---

New Power Supply  
replacement PCB for  
use on HQ-1B

Model# FB-D00417

---

(Refurbished) HQ-1B, or HQ-1  
Power Supplies. Limited to  
supplies on hand

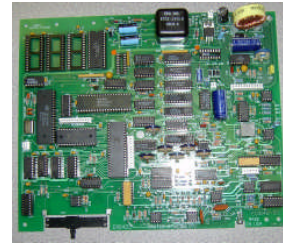

Model# HQ-1B  
Model# HQ-1

Batteries sold separately

HPCM-CPU Master station  
CPU Board

Model# HPCM-CPU

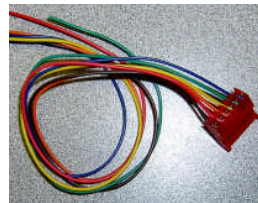

Pre-wired Connectors w/  
6" pigtails

Sold in 10 Packs only:

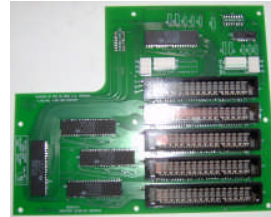

Model #

B09050-02	2 Pin Connector
B09050-03	3 Pin Connector
B09050-04	4 Pin Connector
B09050-05	5 Pin Connector

## **LIMITED WARRANTY**

Parts sold by AUDAC are covered by a one year Warranty for defects in material or workmanship under normal conditions. The one year Warranty period begins from the date the product was first sold and shipped from AUDAC.

This warranty does not cover any defect, malfunction, or failure to follow instructions listed in the original equipment manuals.

AUDAC is not responsible for negligent operation, abuse, misuse, accident, vandalism, fire, flood or moisture damage beyond the control of AUDAC.

Products with their serial numbers removed or defaced are not covered by this warranty.

Any and all implied Warranties, including the implied warranty of merchantability, are limited to the duration of this express limited Warranty. Neither AUDAC nor the dealer/reseller who sells AUDAC products are liable for incidental or consequential damages of any kind.

A Return Authorization number is required on all items returned for a warranty repair.
